

AIMS

The School aims to

- Create a caring and happy environment in which all pupils will have the desire, commitment and confidence to learn in preparation for a rapidly changing society.
- To affirm and respect every individual and their property irrespective of gender, religious beliefs, and social, ethnic or economic background or ability.
- To develop the confidence and ability to think imaginatively and to use questioning and problem solving skills.
- To offer a rich and stimulating environment, access to high quality modern resources and provide a high quality of education through a broad and balanced curriculum and a range of extra-curricular activities.
- To enrich the curriculum by ensuring that all pupils visit a museum, a live theatre/pantomime performance and experience a residential school visit.
- To create a culture of high expectations to enable each pupil to achieve his (her) absolute best at an appropriately high standard.
- To encourage a community based on the values of courtesy, morality, consideration, respect, generosity, forgiveness and fairness.
- To give children the confidence to make their own decisions, provide opportunities for them to take responsibility and to encourage independent learning.
- To teach all pupils to swim at least 25 metres.

- To encourage parents and carers to support pupils with their learning by providing them with information relating to broad learning objectives and activities to be taught in advance.
- To enjoy school.
