

Mere Carnival Reminder

This Saturday is Mere Carnival Day.

The school has placed a group entry (class F) in the afternoon procession, and we are hoping that as many children will take part in order to show off the masks they designed and made last term.

The masks will be judged and every child entering will receive a medal of entry, and be able to take part in the afternoon procession (younger children to be accompanied by an adult throughout the procession).

If your child would like to take part then please be at the Andy Young Pavillion in time for the judging at 2pm.

We look forward to seeing you there.
