

14th October 2009

Dear Parents

Music Week 2009

We are all looking forward to music week which starts next Monday (19th October 2009).

Our focus for the week is making music from junk materials and 2 musicians from a junk band, 'Weapons of Sound' will be working with all children on Monday. After this the children will design and make their own junk instrument and will take part in a performance at the end of the week, to which you are invited. Mrs Miles' husband will also be working with us as he is a professional drum teacher and Mrs Harlow will be in school all week.

The performances will take place on Thursday 22nd October 2009. Our KS1 performance will take place at 9.15 am for blue, amber, yellow and silver classes. Our KS2 performance will be at 2.30 pm for gold, green, red and purple classes. We look forward to seeing you then.

During the week we will be introducing the children to our Christmas performances and on Thursday 22nd October 2009 at 7 pm our instrumentalists will be putting on a concert for their families (with a little help from Shreen Harmony) – the invitations have already been sent out for this.

We hope that the week is successful and appreciate all the donations of junk that have been coming in.

With thanks.

Yours sincerely

Louise Harlow
